

NEW MIDDLE SCHOOL UPDATE

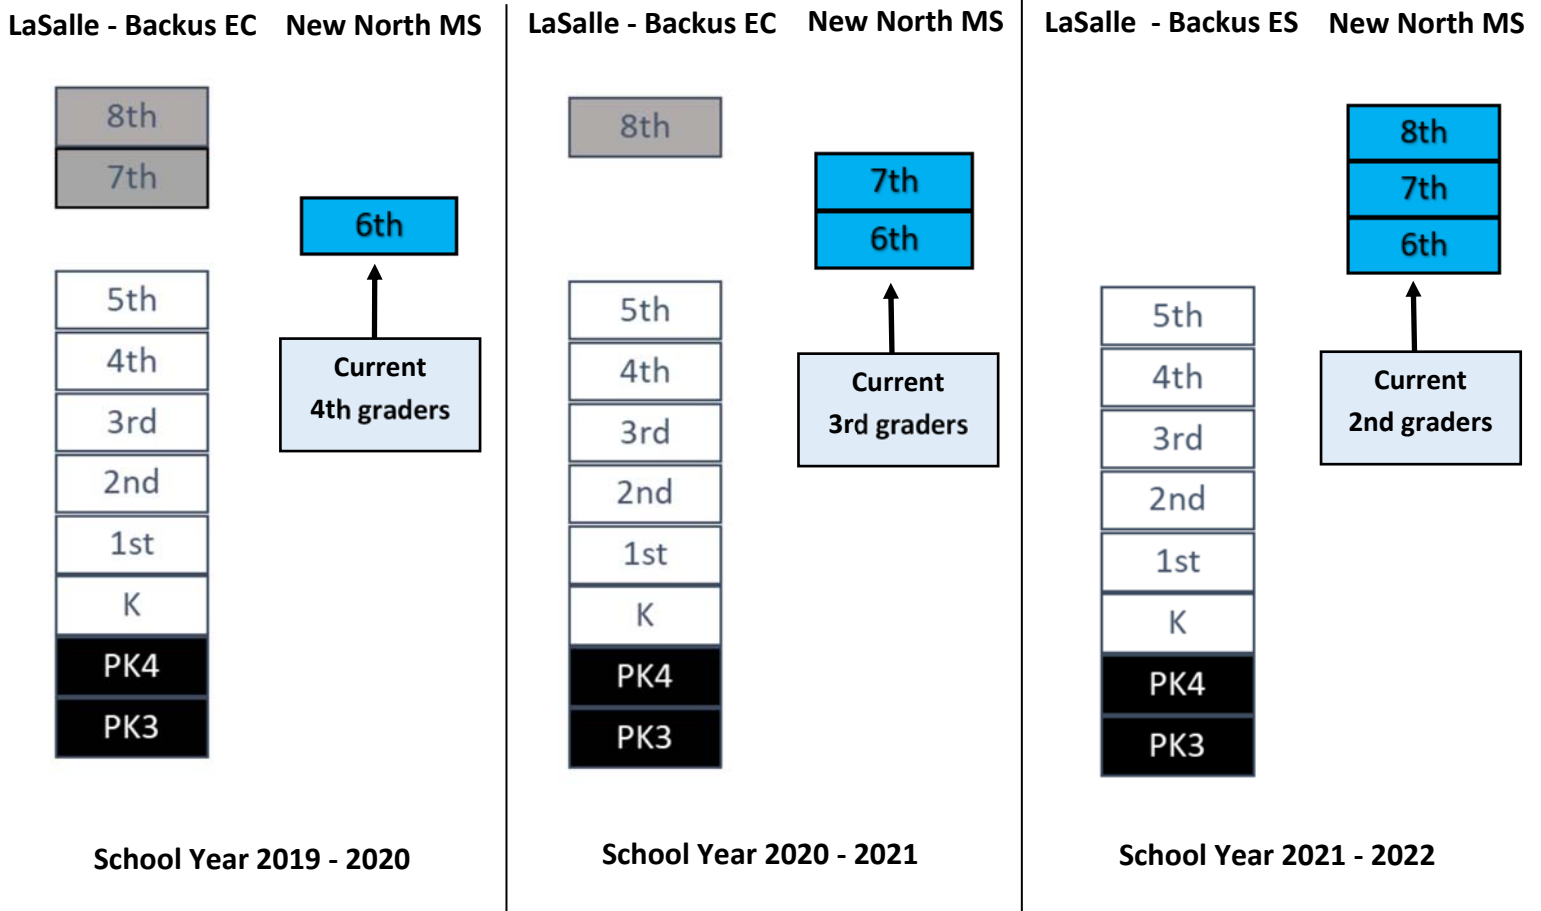

DC Public Schools is opening a new middle school on the campus of Coolidge High School that will open up for the 2019 - 2020 school year. It will be the in-boundary middle school for northern ward 4. It will open with a 6th grade class and grow each year until it is a full 6 - 8th grade middle school in school year 2021 - 2022. Your child's education campus will phase out its middle grades one grade a year into the new middle school. It will then become an elementary school that serves PK3 - 5th grade in school year 2021 - 2022.

Where will my child have the right to attend middle school?

How will my child's education campus phase out its middle grades as the new middle school opens?

Current 4th graders this school year will be the future 6th graders in school year 2019 - 2020 who will have the right to attend the new middle school. Current 5th graders during this school year will be the final class of future 8th graders to graduate from their education campus in school year 2020 - 2021.
